

the journal of --- retirement

editor-in-chief: P. Brett Hammond

ISSN: 2326-6899

E-ISSN: 2326-6902

frequency: Quarterly

content available from Vol 1 Issue 1 (2013)

audience: Financial advisors (CIMA®), financial planners (CFP®), retirement savings plan sponsors and consultants, retirement policy experts, retirement product designers, and policy makers and academics conducting retirement research.

about the journal

The Journal of Retirement (JOR) is both a scholarly and practitioner-focused journal that presents cutting-edge retirement research. The JOR explores a diverse range of subjects, including retirement preparedness, pension plan design, behavioral finance, risk management strategies, demographics, longevity, social security, regulatory policy, and financial literacy and education.

mission

JOR's mission is to foster research on retirement security by academics, practitioners, and policy makers in all these areas that will lead to policies and practices that enhance the welfare of older Americans. **The Journal of Retirement** highlights significant research on retirement funding and provides a platform for discussion of the critical issues that will shape behavior in the investment community.
